Oh shut up, in this world magic is everything.

How dare you talk to someone older than you like that?

No body likes smart brats like you.

Alright then... since it's come to this, I'll show you my ace in the hole!!

You have no aptitude for magic.

Ah ha ha ha, that's pretty funny, Aster.

大言不慚

I'm not giving up!

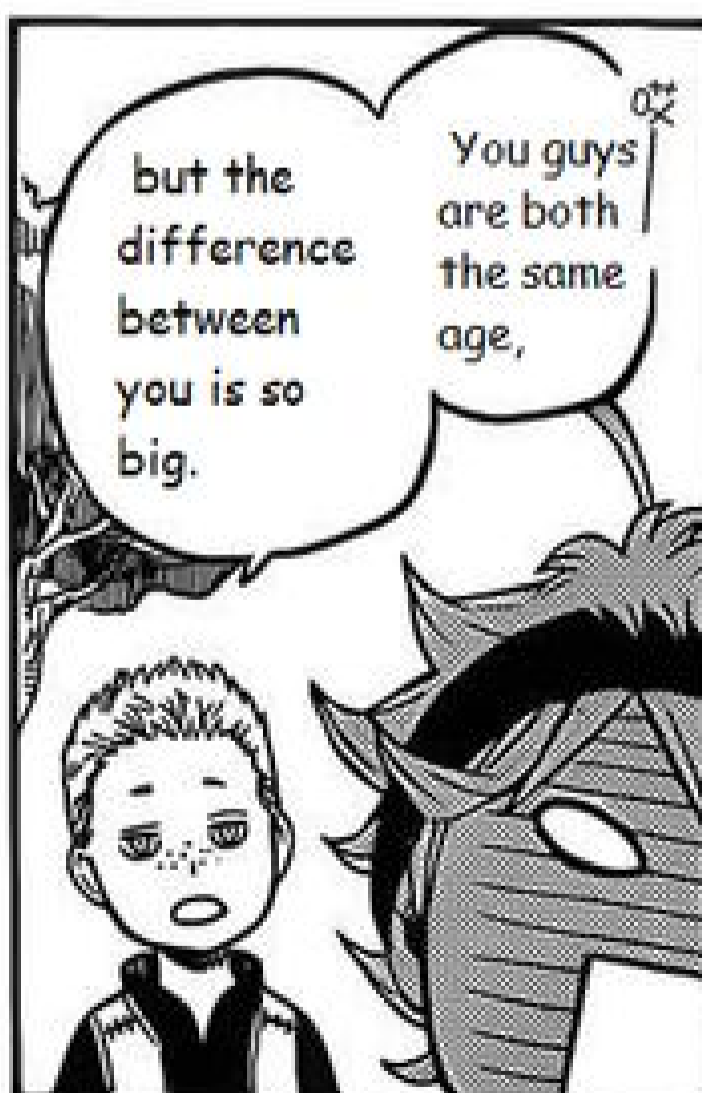

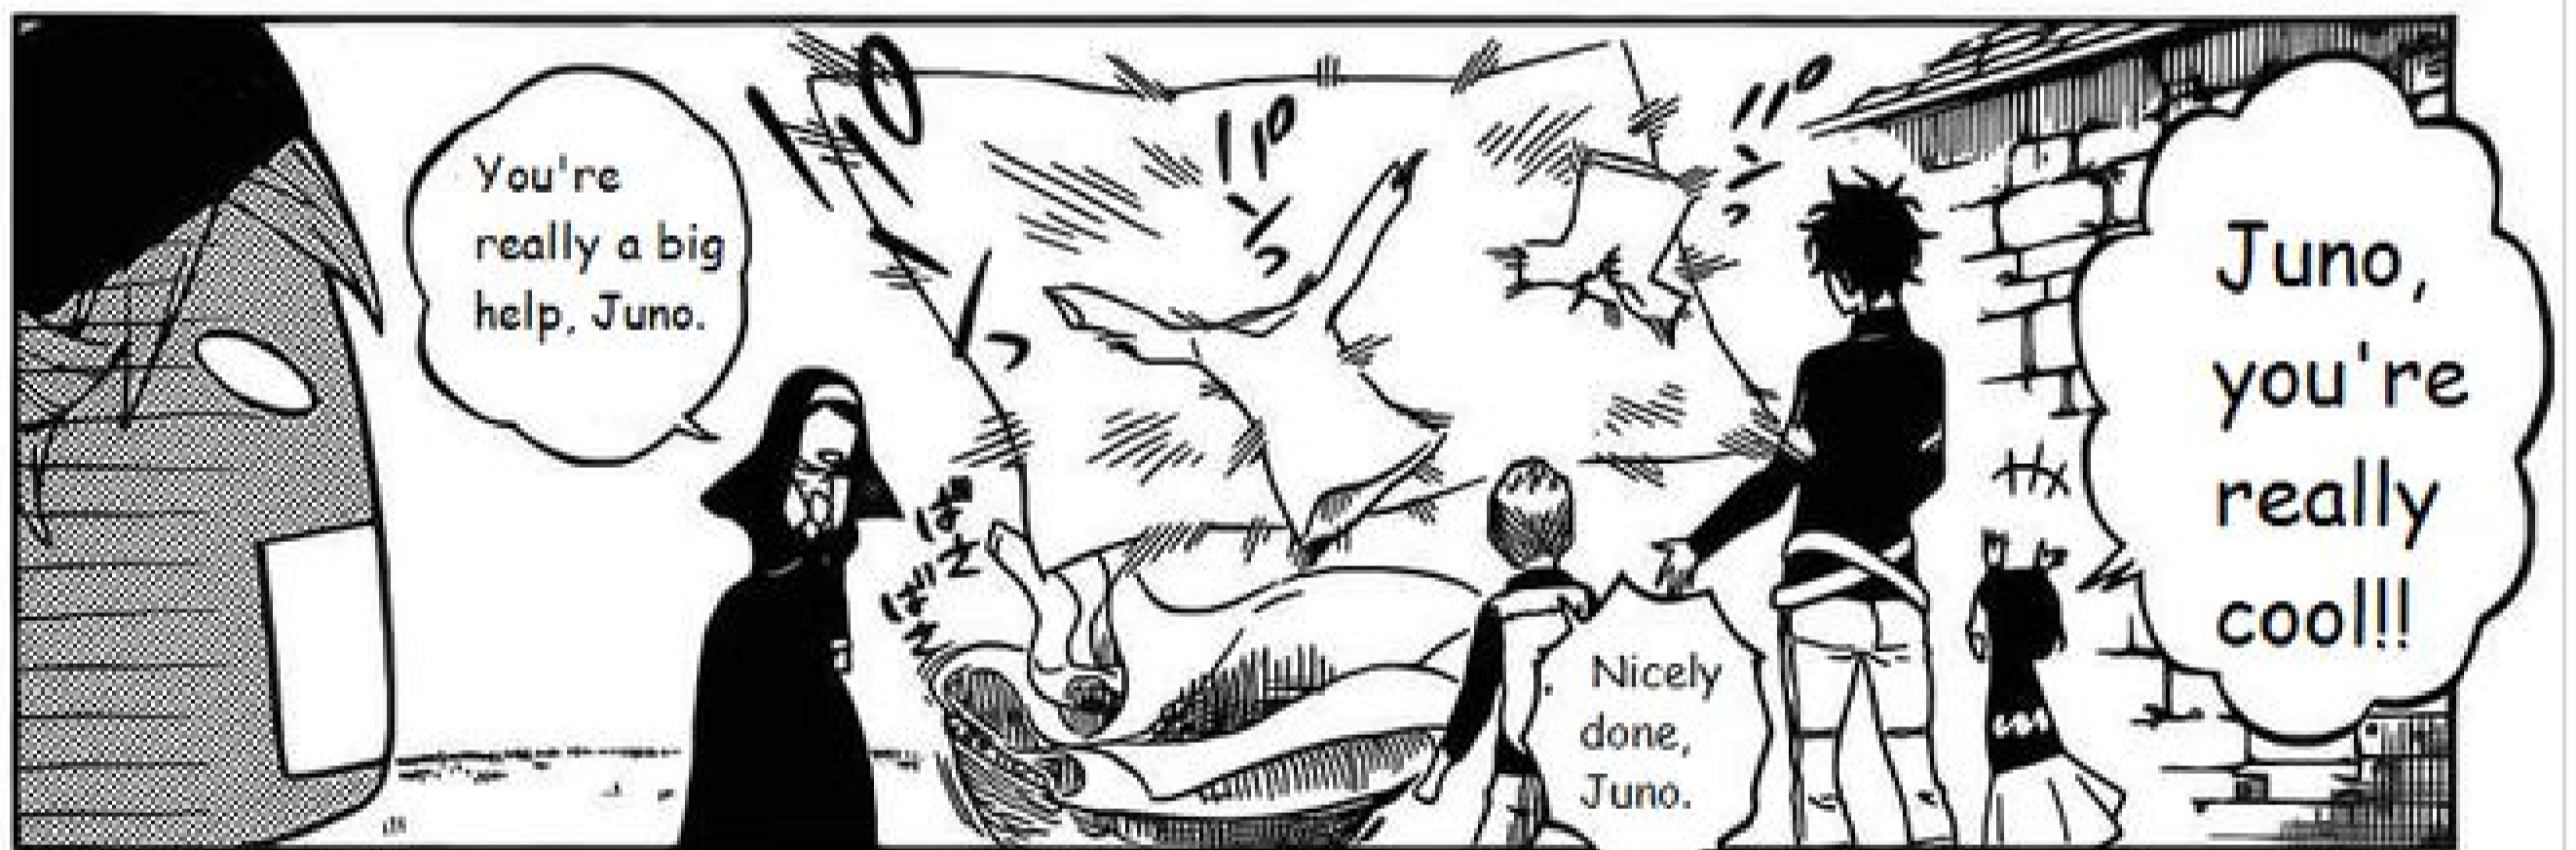

Aster, you're funny!

呀呀

And what good is that? Fool.

How you like me now!? You guys can't do sit up this fast!!

度过了

Juno,  
you're  
really  
amazing!

Juno is  
the hope

Then I'll go on to become the sorcery emperor!!

I'll get a grimoir that's greater than everyone else's and become a magicknight...

it's almost time for your awarding ceremony.

Now, now Aster...

Once you get a grimoir, you'll be able to use magic.

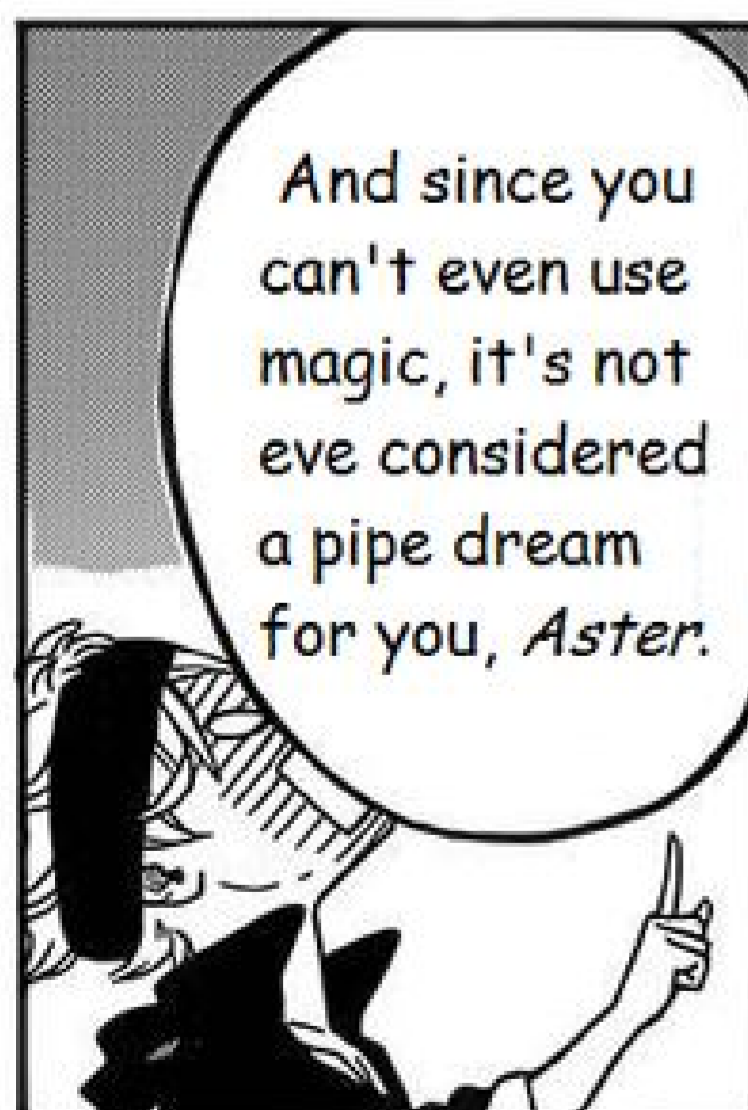

You're absolutely right, sister

Then I'll come back and rebuild this dirty little church we have here.

He's still saying that.

Excuse my dirty little church!!

And since you can't even use magic, it's not eve considered a pipe dream for you, Aster.

There's no way they'd allow low born orphans to become emperor!

The possibility is open to everyone!!

are nobles or royalty that's born with extremely high magic powers.

The only ones with the possibility of becoming the sorcery emperor

he stopped crying.

But that day after bringing Aster back who'd been badly injured.

He used to be such a cry baby.

There's no way you can do it.

That kid from the church is saying nonsense again.

I am the head of this grimoir tower

They look so... poor

You don't need to put them on the same level as us by giving them a grimoir.

There isn't a person here who wants to become a magicknight for their own personal achievements.

Amazing.

Now then, is the future sorcery emperor amongst us?

Look, the orphans from the church are here.

Today marks the first day of my new life as a magicknight.

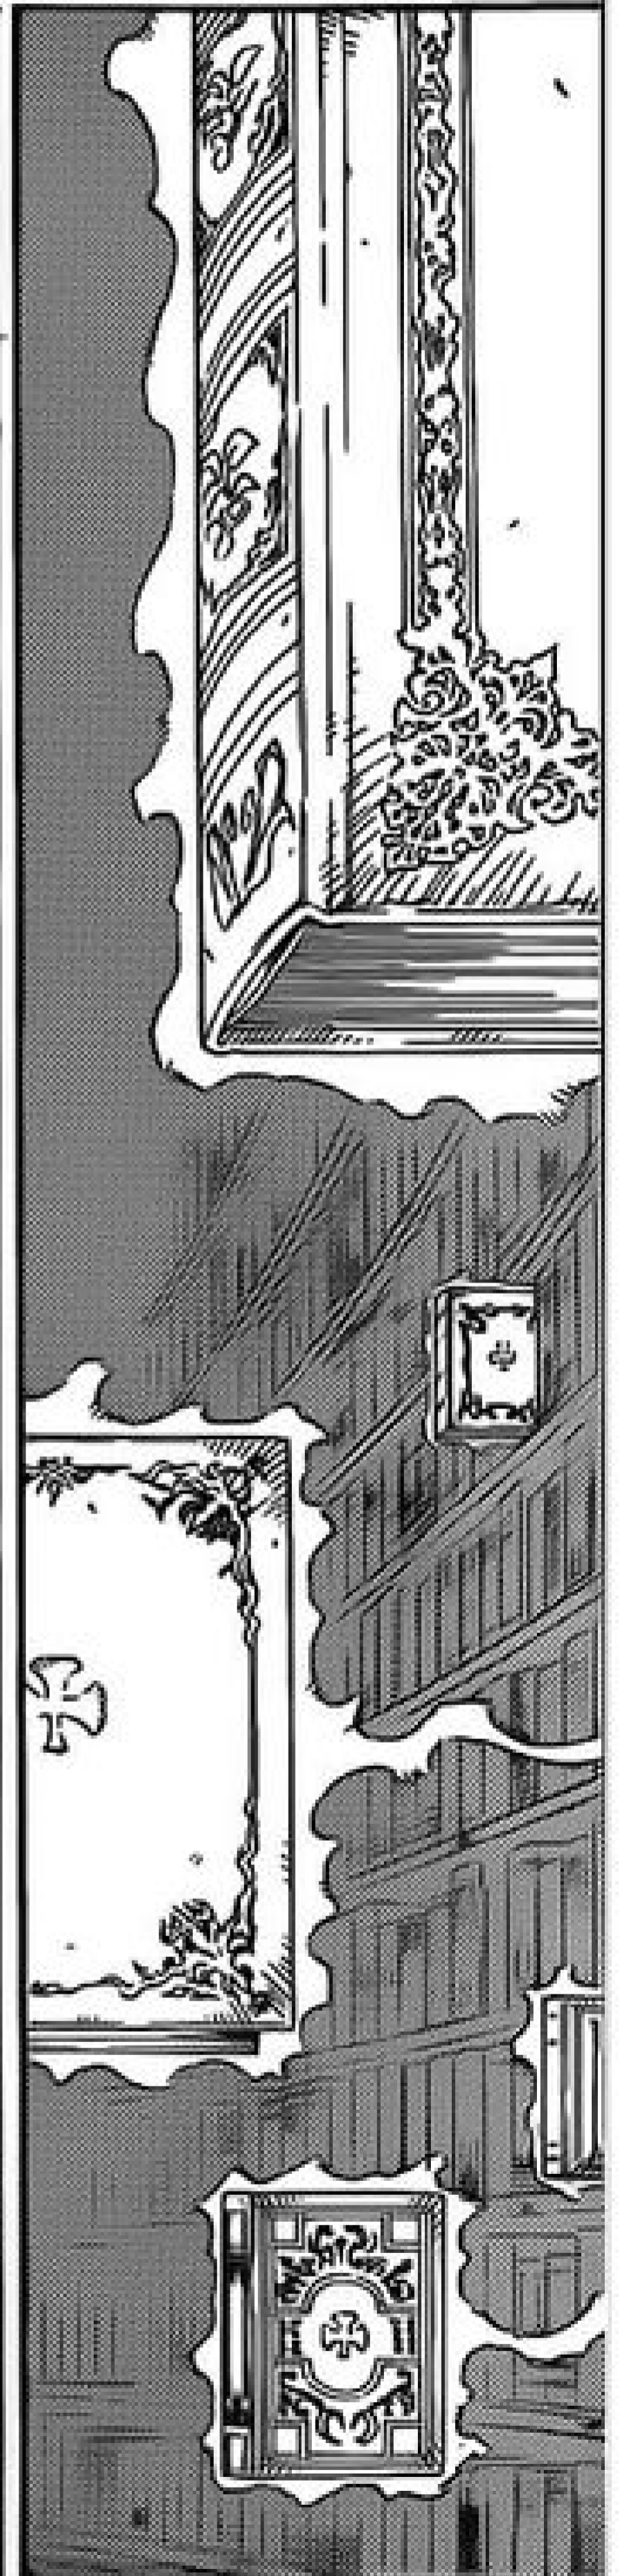

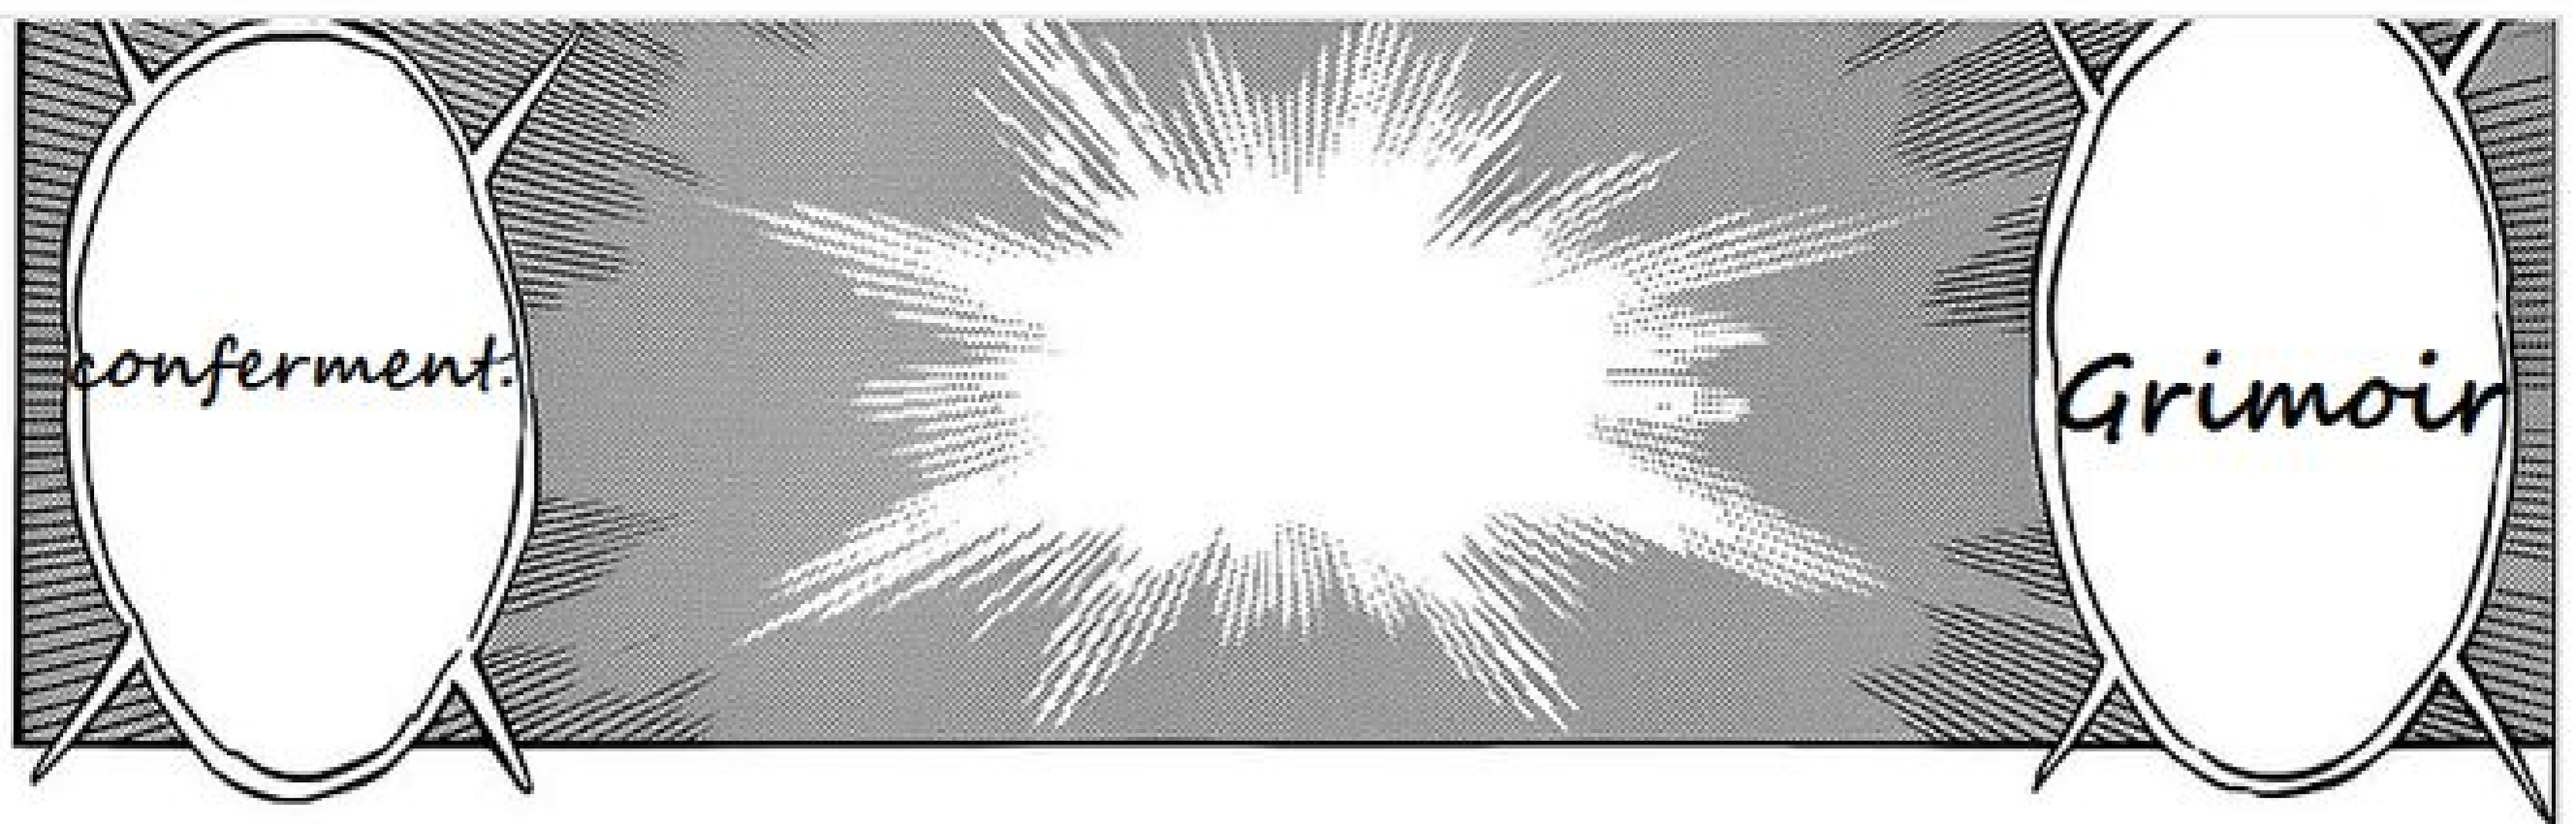

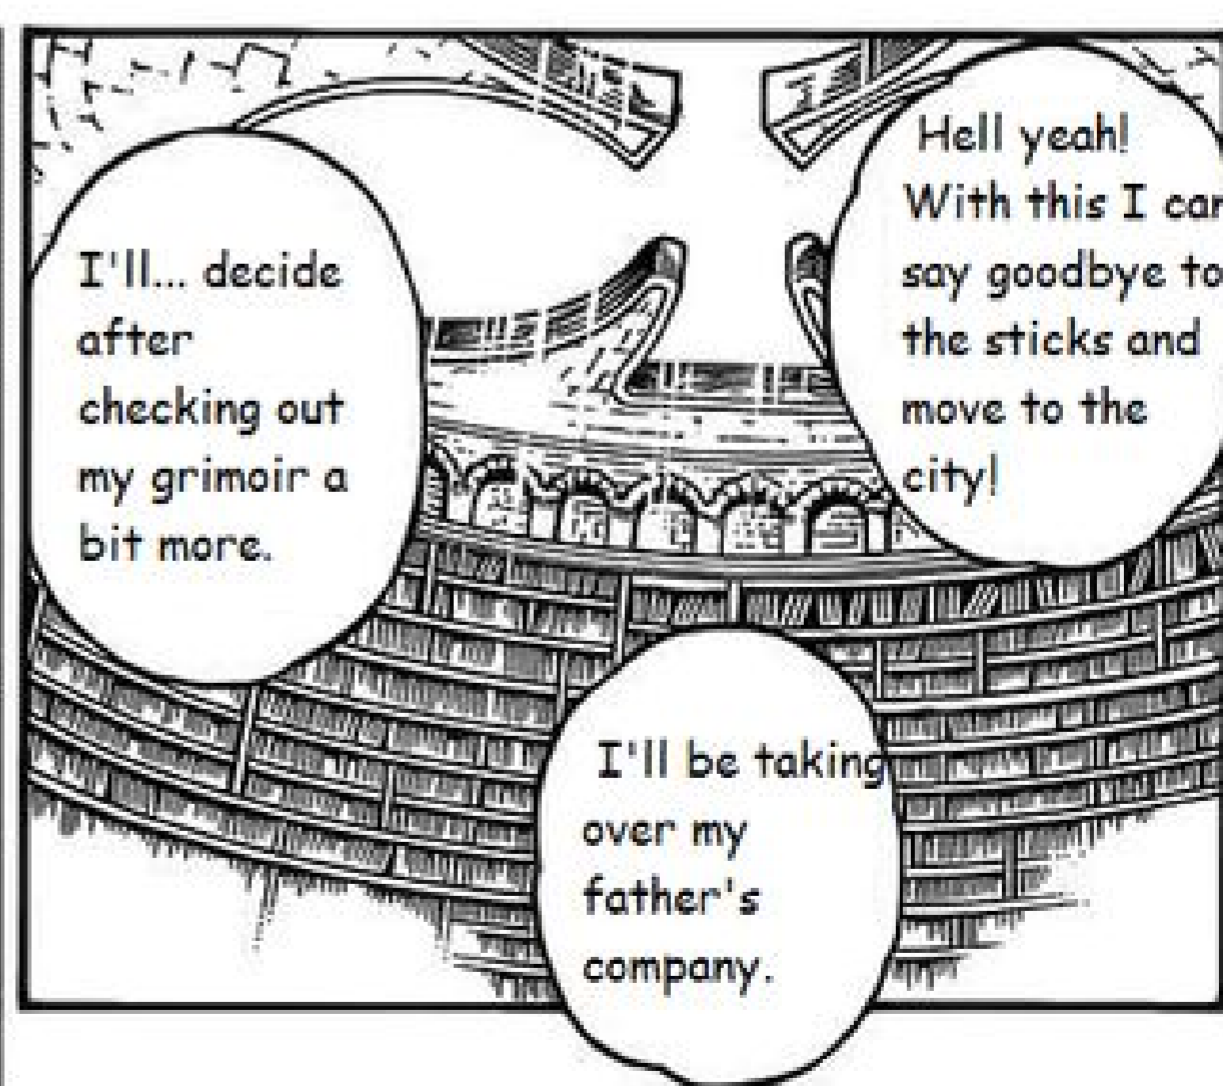

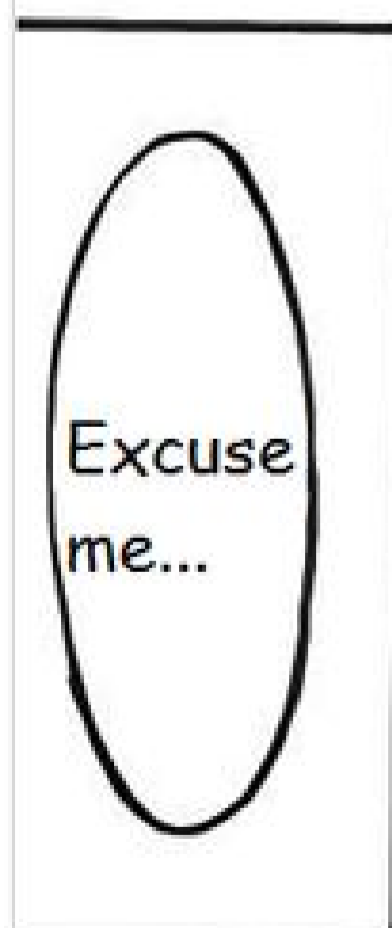

now then,

No, I'm serious.

yeah right!!!

We actually have someone here who wishes to be the sorcery emperor.

I might have really trained my body, but it didn't help at all.

Are all warlocks in the city this powerful?

这就是……村子外面的魔道士……

Dammit, that really hurt. 怎么会有这么厉害的攻击……!!

Since you tried so hard, I'll tell you something good.

I can tell exactly how much magic power a person has with these chains.

Thanks for that wonderful display of futility.

This is the reason you can't use magic.

You were probably born that way

And your magic power is absolutely ZERO!

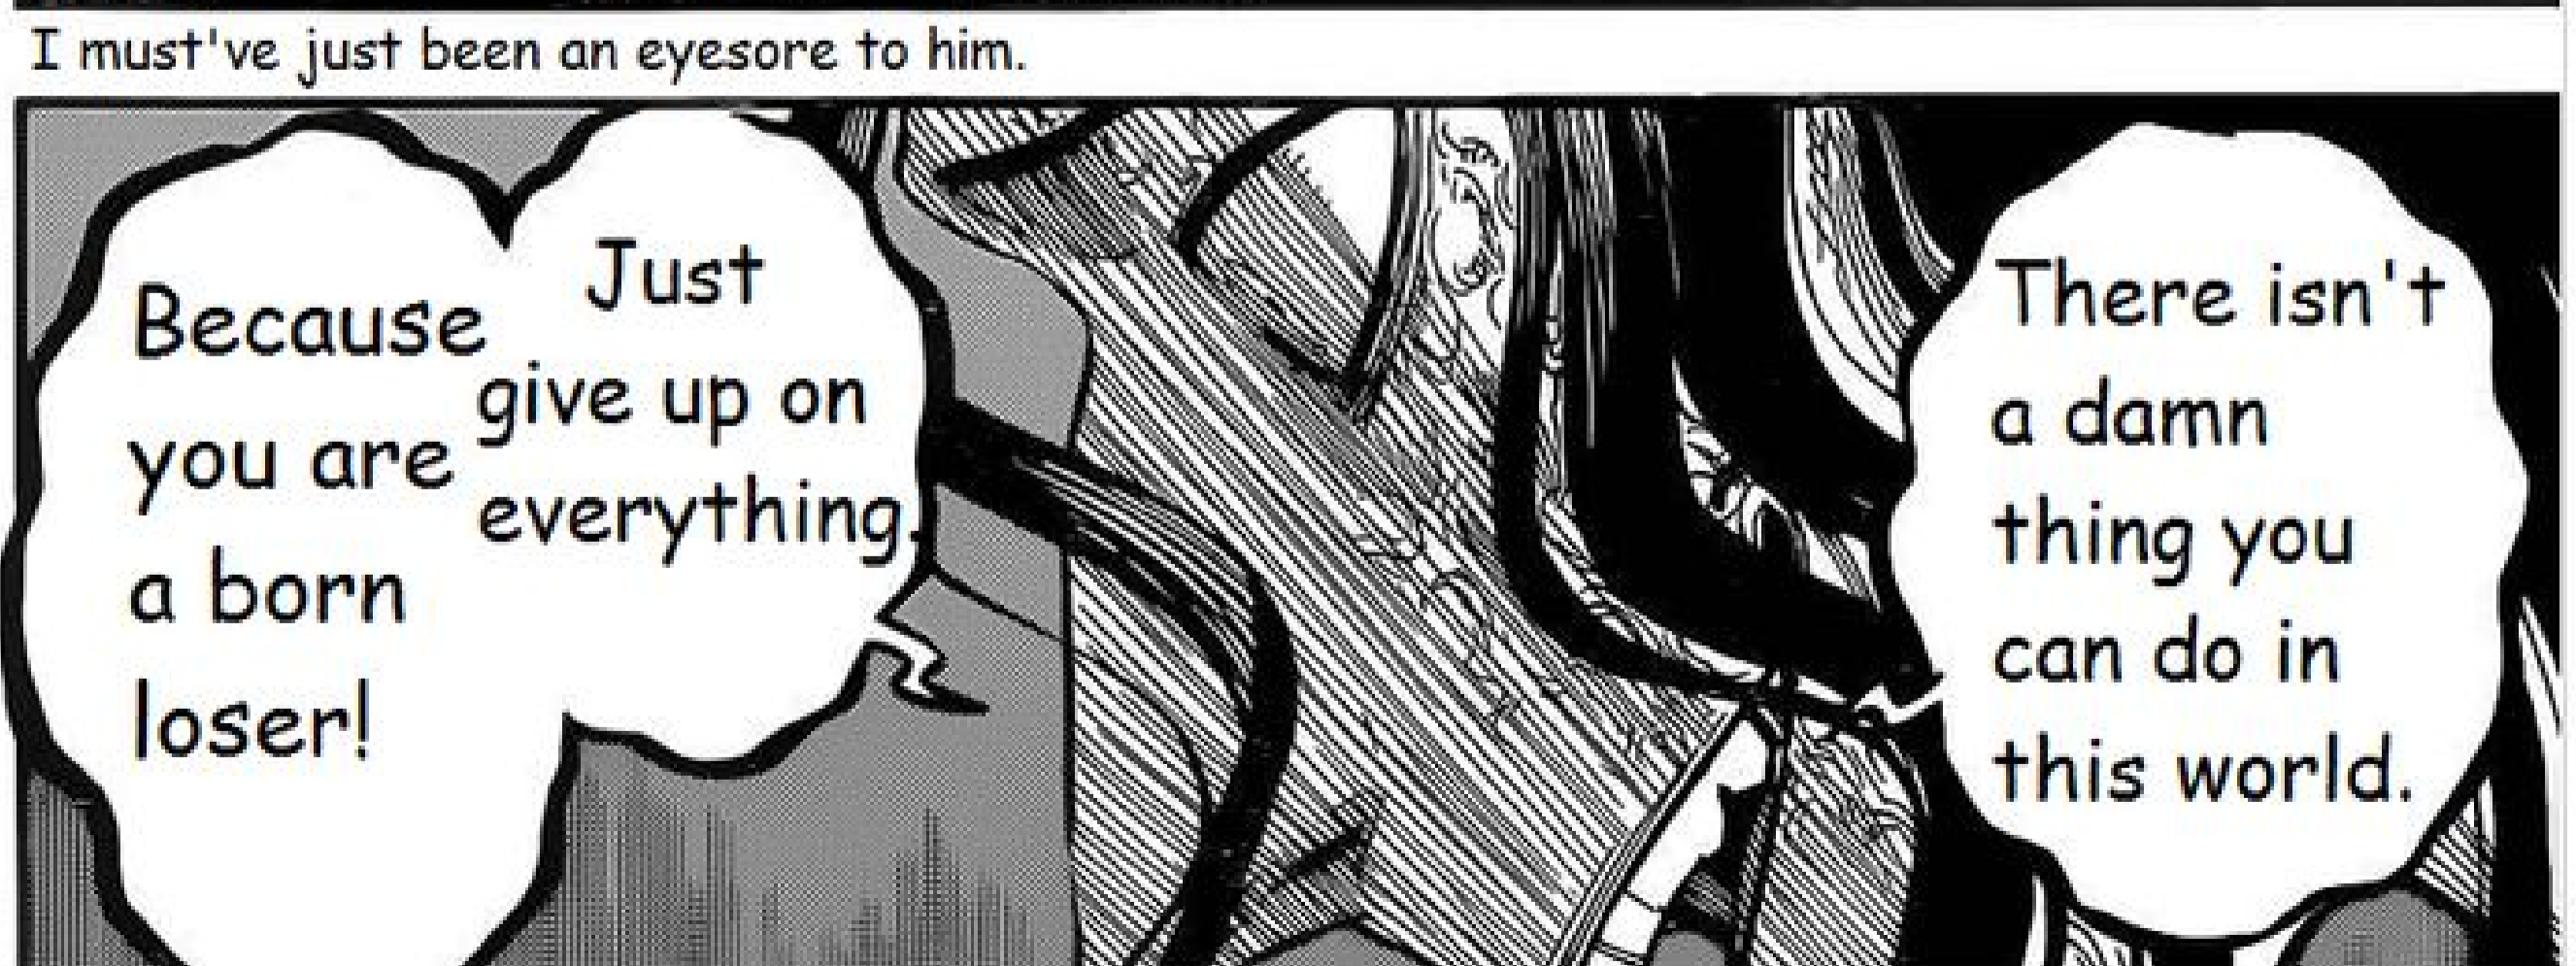

# ...seriously??

So, no matter how hard I try, I won't be able to use any magic?

You might be right... Juno was chosen by the 4-leaf clover. I always knew that was amazing.

Magic is what makes the world go round...

Do you want to have a magic battle with me and die?

An orphan from the slums like you

shouldn't be carrying around things that are above your status.

That's mine.

I'm just going to make some money out of this.

Don't you dare touch me with your filthy hands,

slum rat!

That belongs to Juno!

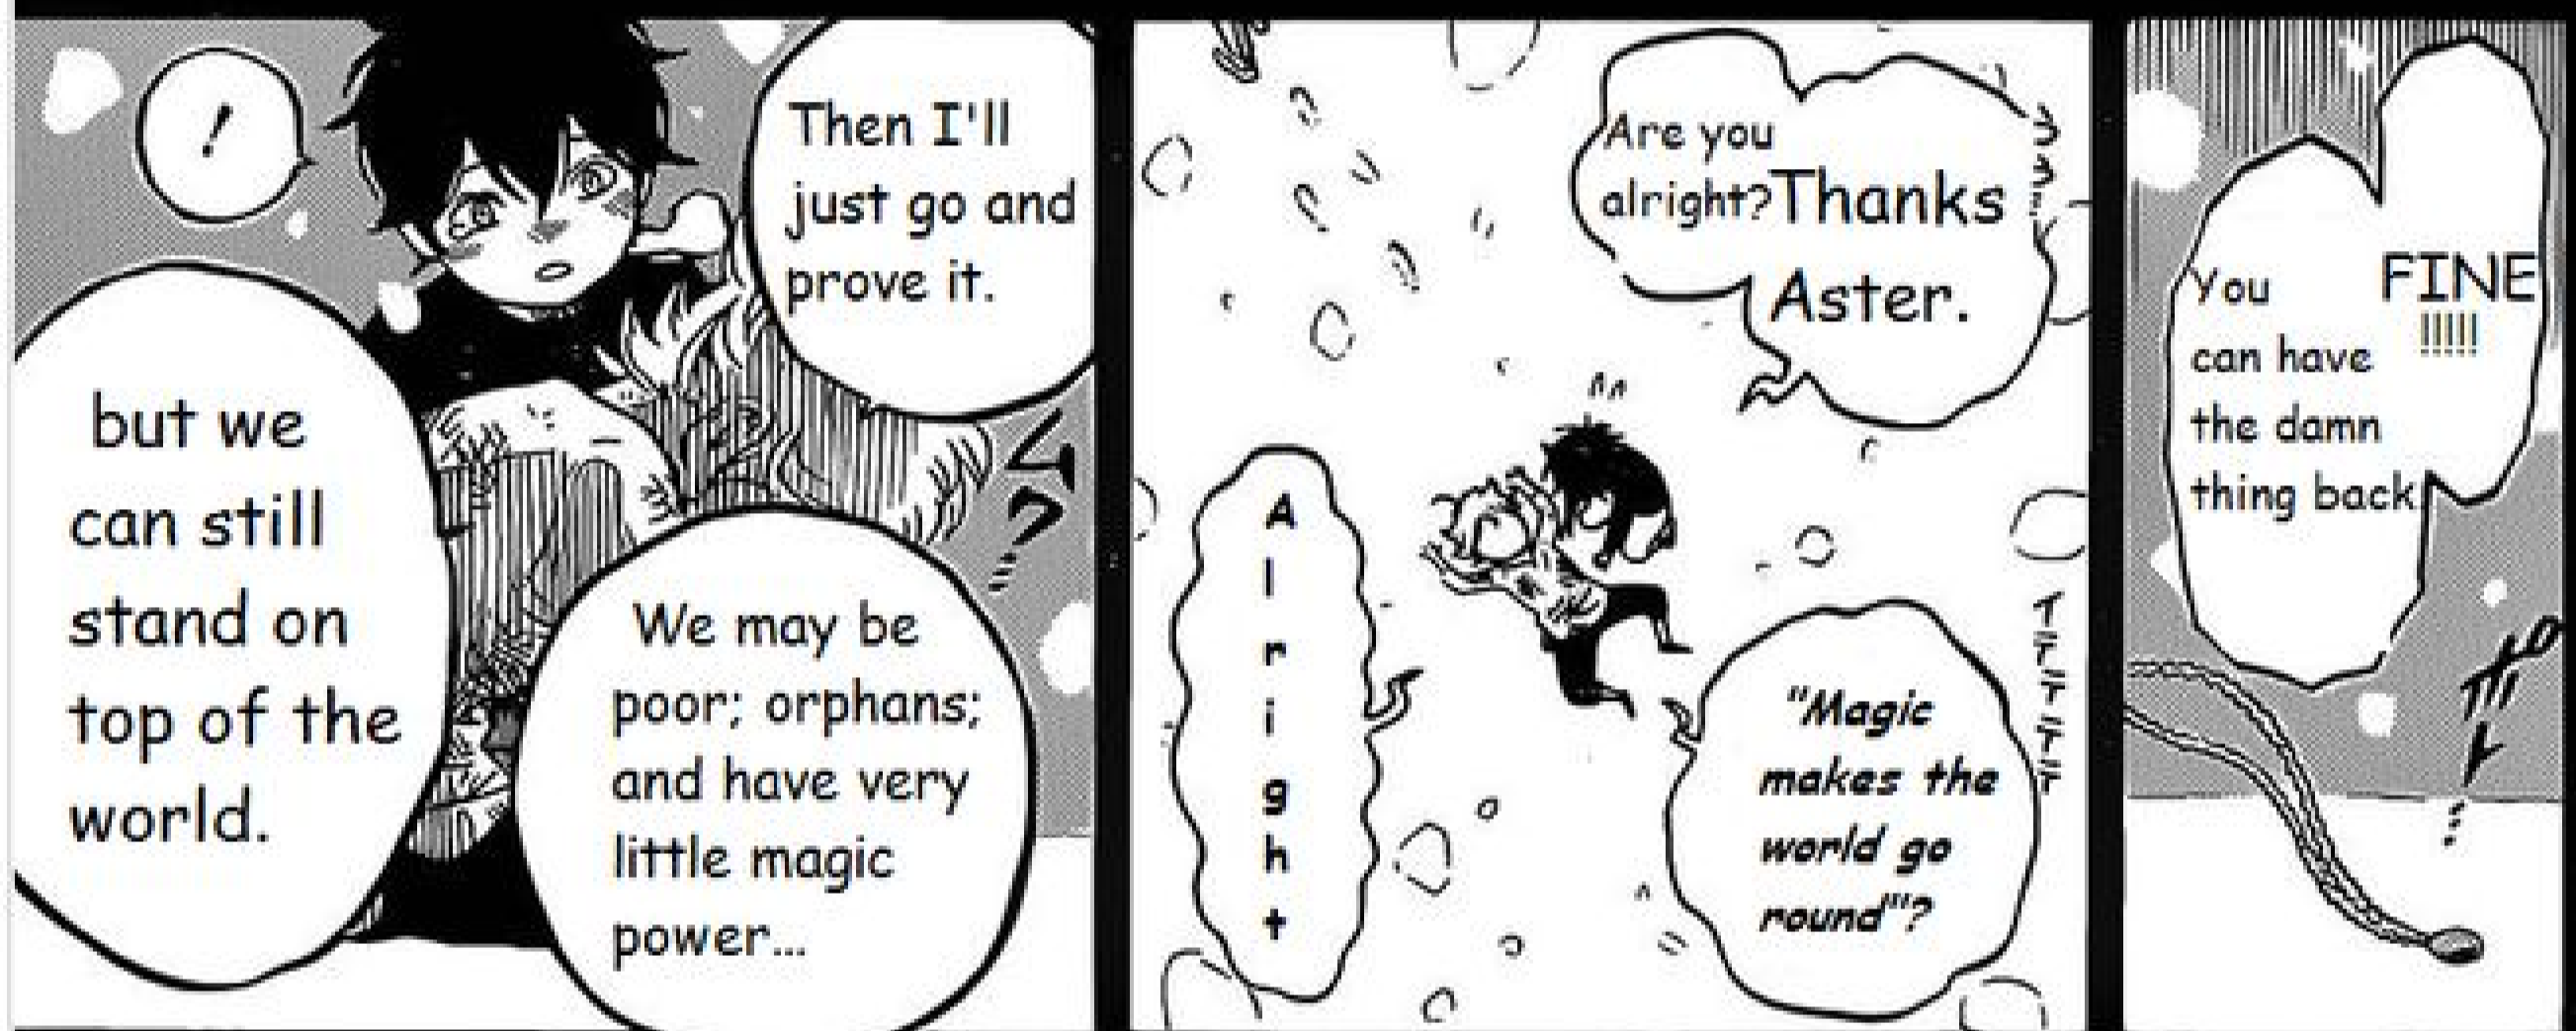

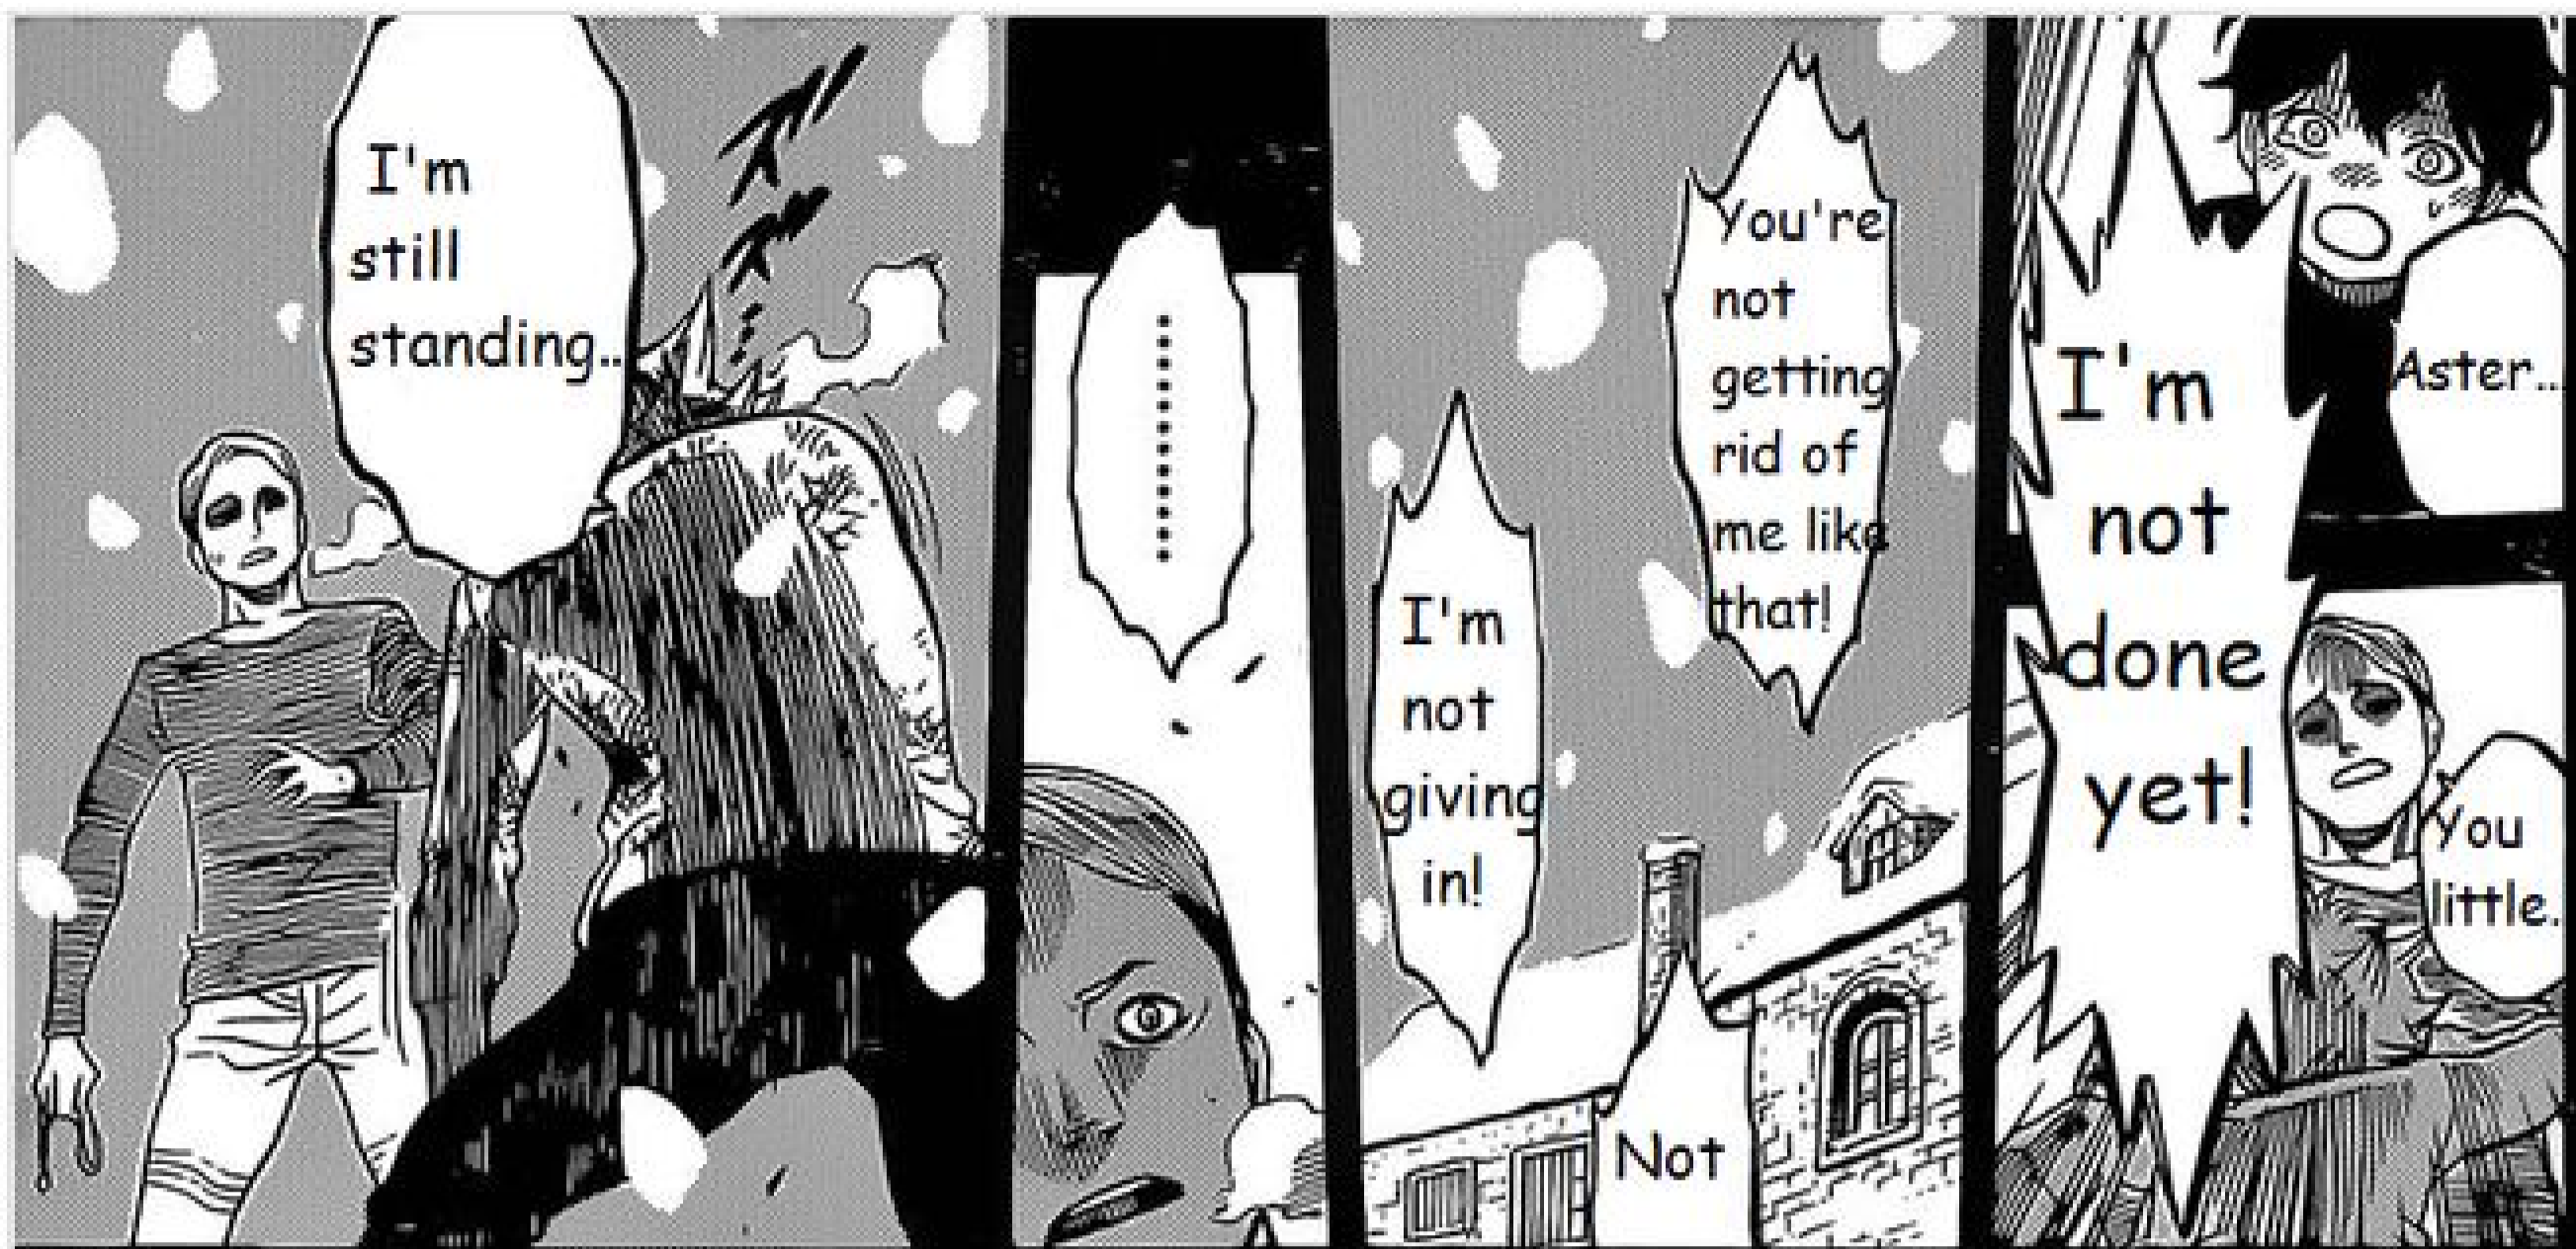

give it back!

Ok then, We'll...

Me too.

No matter how far ahead I moved, he would always be right there.

He's the one that gave me the courage to take that first scary step.
